- State Senator, JP Morrell, addressed a question about blight and some enabling legislation that would allow a resident to sue their next door neighbor—he promised to check into it and get back to us at the next meeting.
  
- President, Dan Falk, informed the membership about Gentilly Terrace and Gardens Google group. Email him and he will send you an invitation to join.
  
- Maria Tio reported that July's Marketplace sold 1,000 units of food and had approximately 600 attendees. She also has raffle tickets (25.00) for a Ford Mustang Coupe that was donated by the Ford dealership in Metairie. The Mustang will be auctioned of at the Gentilly Fest in October.
  - The Gentilly Fest needs volunteers to work the booths and help with set-up/tear-down
  
- A resident spoke about the incinerator being planned for Gentilly/N.O. East—they plan to take trash and convert it into energy. Public meetings have started on this issue.

- Kelly Butler reported there have not been any new activities on Druex/Painters St.
- Al and Jane Fandrich reported that the planting along St. Roch went very well
  - 140 trees were planted on St Roch
  - residents on Venus and Marigny Streets also received trees
  - they had 69 (Sat) and 70 (Sun) volunteers from the Human Resource Conference
  - They need help with watering, especially in this heat
  - Contact Al and Jane if you see trees that are at risk of dying
- Norm Whitley reported on the creation of a NORA 2 Committee for all of Gentilly
  - Road Home properties would be available to residents before being offered to a developer

Norm also reported that the GCIA Education Committee has been reconstituted to monitor and steer education in Gentilly.
